DECLARATION OF EARL CRAIG

- I, **Earl Craig**, hereby declare under penalty of perjury and the laws of the United States that the following is true and correct to the best of my knowledge, information, and belief:
 - 1. I am the Plaintiff identified in the above-referenced case.
 - Pursuant to a Preliminary Injunction in this case, I was removed from the Tennessee Sexual Offender Registry ("SOR") on March 15, 2023.
 - 3. Since being off the registry, my professional, family, and religious life have all improved significantly.
 - 4. I am now able to travel out of state for work without the hassle of requesting permission to travel and registering in the state that I am going to.
 - 5. I no longer have to go in person downtown to register every three months under pain of arrest and jail if I forgot to do so. This caused me fear and anxiety. When I was on the

- registry, police officers would come to my house, sometimes late at night, which also caused me anxiety and fear.
- 6. I can also travel out state much more easily with my grandchildren on vacation. We can go camping in state parks, which my whole family loves, and which I was prohibited from doing while under the registry.
- 7. Finally, I am able to take my grandchildren to church, something that I missed out on for quite a few years, and spend quality time with them.
